

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF TEXAS
SHERMAN DIVISION

WEARABLE SHOE TREE, LLC	§	
	§	
v.	§	CIVIL NO. 4:24-CV-334-SDJ
	§	
DOES 1-601	§	

ORDER GRANTING PRELIMINARY INJUNCTION

Before the Court is Plaintiff Wearable Shoe Tree, LLC's ("Wearable Shoe Tree") motion for entry of a preliminary injunction. (Dkt. #7). After considering the filings, evidence, and applicable law, the Court finds that the motion should be granted.

I. BACKGROUND

Wearable Shoe Tree makes "innovative shoe care and preservation products." (Dkt. #7 at 5). Its primary product is a plastic insert designed to slip into the toe of a sneaker and prevent "creasing," called a "sneaker shield." Wearable Shoe Tree holds a patent for the plastic insert: Patent No. D970,203 S. Wearable Shoe Tree also holds three trademarks: U.S. Trademark Registration No. 4686931 for the SNEAKER SHIELDS composite mark, U.S. Trademark Registration No. 6220820 for the SHIELDS standard character mark, and U.S. Trademark Serial No. 88750733 for the SNEAKER SHIELDS standard character mark. (Dkt. #3-11).

Wearable Shoe Tree claims that Defendants, individuals and business entities likely operating in China, (Dkt. #42-1), are illegally selling products that infringe on Wearable Shoe Tree's patent and trademarks. All Defendants operate webstores on

various online marketplaces, such as Amazon, Alibaba, eBay, Etsy, Temu, and Wish, and offer their allegedly infringing goods for sale in the United States, including Texas.

Wearable Shoe Tree moved for a Temporary Restraining Order (“TRO”), (Dkt. #7), and motion for alternative service of process. (Dkt. #9). The Court held a hearing on May 3, 2024, and subsequently granted both motions. (Dkt. #17). The initial TRO was set to expire at 6:30 p.m. on May 21, 2024. Pursuant to Federal Rule of Civil Procedure 65, the Court approved one extension of the TRO to 6:30 p.m. on June 4, 2024. (Dkt. #18, #19). The Court also set a hearing on the entry of a Preliminary Injunction for June 3, 2024. (Dkt. #19). However, on the day of the Preliminary Injunction hearing it was unclear whether the Defendants had been properly served. Accordingly, the Preliminary Injunction hearing was reset for June 24, 2024, to allow Wearable Shoe Tree more time to identify and properly serve the Defendants. Wearable Shoe Tree has since shown that all Defendants were served via email in accordance with the Court’s order on alternative service of process. (Dkt. #17); (Dkt. #40 ¶ 5); (Dkt. #40-1).¹ Defendants were permitted to file responses to Wearable Shoe Tree’s motion for a TRO and Preliminary Injunction no later than June 18, 2024, and appear in person, via phone, or via video. The TRO expired as scheduled at 6:30 p.m. on June 4, 2024.

¹ The Fifth Circuit has approved this method of service for Preliminary Injunctions. *Whirlpool Corp. v. Shenzhen Sanlida Elec. Tech. Co., Ltd.*, 80 F.4th 536 (5th Cir. 2023), *cert. denied sub nom. Shenzen Sanlida Elec. Tech. Co., Ltd. v. Whirlpool Corp.*, 144 S. Ct. 807, 218 L. Ed. 2d 23 (2024); *see also Rio Properties, Inc. v. Rio Int’l Interlink*, 284 F.3d 1007, 1018 (9th Cir. 2002) (“[W]hen faced with an international e-business scofflaw, playing hide-and-seek with the federal court, email may be the only means of effecting service of process.”).

At the scheduled hearing on June 24, 2024, Wearable Shoe Tree presented evidence in support of a Preliminary Injunction and filed supplemental briefing in support of the Preliminary Injunction. (Dkt. #42). Attorney He Cheng appeared on behalf of Defendant Does 519, 522, and 523, but did not present any evidence in opposition to Wearable Shoe Tree's motion for a Preliminary Injunction. (Dkt. #41). No other Defendant appeared at the hearing, and the Court has not received written responses from any Defendants prior to or following the hearing. Since the hearing, a number of Defendants have been voluntarily dismissed. (Dkt. #44). The complete list of active Defendants at the time of this order is attached hereto (hereinafter Table 1).

II. LEGAL STANDARD

Preliminary injunctions are governed by Rule 65 of the Federal Rules of Civil Procedure. To obtain a preliminary injunction, a party must demonstrate, “(1) a substantial likelihood that he will prevail on the merits, (2) a substantial threat that he will suffer irreparable injury if the injunction is not granted, (3) his threatened injury outweighs the threatened harm to the party whom he seeks to enjoin, and (4) granting the preliminary injunction will not disserve the public interest.” *Google, Inc. v. Hood*, 822 F.3d 212, 220 (5th Cir. 2016). “A preliminary injunction is an ‘extraordinary remedy’ and should only be granted if the plaintiffs have clearly carried the burden of persuasion on all four requirements.” *Nichols v. Alcatel USA, Inc.*, 532 F.3d 364, 372 (5th Cir. 2008) (cleaned up). But the party “is not required to prove [its] case in full at a preliminary injunction hearing.” *Fed. Sav. & Loan Ins.*

Corp. v. Dixon, 835 F.2d 554, 558 (5th Cir. 1987) (cleaned up). A district court has discretion to grant or deny a preliminary injunction. *See House the Homeless, Inc. v. Widnall*, 94 F.3d 176, 180 (5th Cir. 1996).

III. DISCUSSION

A. Likelihood of Success on the Merits

Wearable Shoe Tree asserts three claims: (1) Trademark Infringement, (2) Unfair Competition & False Designation of Origin, and (3) Patent Infringement. The Court addresses the likelihood of success for each claim in turn.

i. Trademark Infringement

15 U.S.C. § 1114(1) provides the remedies for a claim of trademark infringement.² “A prima facie trademark infringement case is made out by proof of two elements: that the plaintiff owns a legally protected mark, and there is a likelihood of confusion between her mark and the defendant’s mark.” *Pennzoil-Quaker State Co. v. Miller Oil & Gas Operations*, 779 F.3d 290, 294 (5th Cir. 2015); *see also Denbra IP Holdings, LLC v. Thornton*, 521 F. Supp. 3d 677, 684 (E.D. Tex. 2021). Likelihood of confusion is determined by considering eight factors, “none of which is either necessary or sufficient.” *Pennzoil-Quaker*, 779 F.3d at 294 n.9. The factors are “(1) strength of the plaintiff’s mark; (2) similarity of design between the marks; (3) similarity of the products; (4) identity of retail outlets and purchasers; (5)

² 15 U.S.C. § 1114(1) states, “[a]ny person who shall, without the consent of the registrant (a) use in commerce any reproduction, counterfeit, copy, or colorable imitation of a registered mark in connection with the sale, offering for sale, distribution, or advertising of any goods or services on or in connection with which such use is likely to cause confusion, or to cause mistake, or to deceive[] . . . shall be liable in a civil action by the registrant for the remedies hereinafter provided.”

similarity of advertising media used; (6) the defendant's intent; (7) actual confusion; and (8) degree of care exercised by potential purchasers." *Am. Rice, Inc. v. Producers Rice Mill, Inc.*, 518 F.3d 321, 329 (5th Cir. 2008) (cleaned up).³ A court's finding of likelihood of confusion "need not be supported even by a majority of the factors." *Id.* (cleaned up).

Wearable Shoe Tree holds three trademarks: No. 4686931 for the SNEAKER SHIELDS composite mark, No. 6220820 for the SHIELDS standard character mark, and No. 88750733 for the SNEAKER SHIELDS standard character mark. Thus, the marks are legally protected. After comparing Wearable Shoe Tree's product to each Defendant's allegedly infringing products, the Court finds that there is significant similarity between Wearable Shoe Tree's marks and the allegedly infringing products. *Compare* (Dkt. #3-2) through (Dkt. #3-10) (allegedly infringing products),⁴ *with* (Dkt. #3-11) (Wearable Shoe Tree's registered trademarks), *and* (Dkt. #42-1) (list of infringing Defendants). The infringing products sold by Defendants appear to be identical to Wearable Shoe Tree's product, and many of the infringing products bear the mark "SHIELDS." *Denbra*, 521 F.Supp.3d at 687 (similarly finding that identical products are similar). Accordingly, both the "similarity of design between

³ At times, the Fifth Circuit has used a seven-factor test that excludes factor eight, the degree of care exercised by potential purchasers, or vice versa. *Denbra*, 521 F.Supp.3d at 686; *Viacom Int'l v. IJR Cap. Invs., L.L.C.*, 891 F.3d 178, 192 (5th Cir. 2018).

⁴ The referenced exhibits correlate to the Defendants identified in Table 1 and products being advertised and apparently sold by each Defendant that likely infringe on Wearable Shoe Tree's patent, constitute a trademark violation, and/or otherwise show unfair competition.

the marks” and “similarity of the products” factors weigh strongly in favor of entry of a Preliminary Injunction.

Both the infringing products and Wearable Shoe Tree’s product are offered for sale on various online marketplaces and likely target the same consumers. Further, the advertising media used by Wearable Shoe Tree and Defendants is very similar: Wearable Shoe Tree’s website shows photos of various sneakers with and without the plastic insert. (Dkt. #3-12). So too do many of Defendants’ online listings. (Dkt. #3-2) through (Dkt. #3-10); *Denbra*, 521 F.Supp.3d at 687 (“The greater the similarity in the [advertising] campaigns, the greater the likelihood of confusion.” (quoting *Streamline Prod. Sys., Inc. v. Streamline Mfg., Inc.*, 851 F.3d 440, 455 (5th Cir. 2017))). Thus, the “identity of retail outlets and purchasers” and “similarity of advertising media used” weigh in favor of a Preliminary Injunction.

Wearable Shoe Tree’s sales have decreased 30% in the last year, which it attributes to the sale of infringing products online. (Dkt. #7-2 at 3). This, coupled with the low cost of the product, suggests that there is “actual confusion” and a low “degree of care exercised by potential purchasers.” *Bd. of Supervisors for Louisiana State Univ. Agric. & Mech. Coll. v. Smack Apparel Co.*, 550 F.3d 465, 483 (5th Cir. 2008) (“Where items are relatively inexpensive, a buyer may take less care in selecting the item, thereby increasing the risk of confusion.”).

Considering all these factors, the Court finds that Wearable Shoe Tree’s patents and trademarks are legally protected and there is a likelihood of confusion between Plaintiff’s product and Defendants’ infringing products. Wearable Shoe Tree

has thus established a likelihood of success on the merits for its claim of Trademark Infringement.

ii. Unfair Competition & False Designation of Origin

The test for a violation of 15 U.S.C. § 1125(a) is “whether the public is likely to be deceived or confused by the similarity of the marks.” *Two Pesos, Inc. v. Taco Cabana, Inc.*, 505 U.S. 763, 780, 112 S.Ct. 2753, 120 L.Ed. 2d 615 (1992) (Stevens, J., concurring).⁵ Accordingly, if likelihood of confusion is proven under 15 U.S.C. § 1114, then it is also shown under section 1125(a) since section 1125(a) relies only on that factor. The Court has explained that there is a substantial likelihood of confusion between Wearable Shoe Tree’s trademarks and the infringing products. *Infra* section III.A.i. Therefore, the only element required to show that the Wearable Shoe Tree has a likelihood of success on the merits for Unfair Competition and False Designation of Origin is established.

iii. Patent Infringement

The patent at issue, Patent No. D970,203 S, was issued by the U.S. Patent and Trademark Office on November 22, 2022, and is presumed valid under 35 U.S.C. § 282(a). *See also Titan Tire Corp. v. Case New Holland, Inc.*, 566 F.3d 1372, 1377 (Fed. Cir. 2009) (“[T]he patent enjoys the same presumption of validity during

⁵ 15 U.S.C. § 1125(a) states, “[a]ny person who, on or in connection with any goods or services, or any container for goods, uses in commerce any word, term, name, symbol, or device, or any combination thereof, or any false designation of origin, false or misleading description of fact, or false or misleading representation of fact, which (A) is likely to cause confusion, or to cause mistake, or to deceive as to the affiliation, connection, or association of such person with another person, or as to the origin, sponsorship, or approval of his or her goods, services, or commercial activities by another person . . . shall be liable in a civil action by any person who believes that he or she is or is likely to be damaged by such act.”

preliminary injunction proceedings as at other stages of litigation.”). A showing that there is a likelihood of success on the merits for a patent infringement claim requires that the Court compare the patent and the allegedly infringing product. *See Qin v. Partnerships & Unincorporated Associations on Schedule “A”*, No. 6:21-CV-1243-ADA, 2022 WL 80274, at *2 (W.D. Tex. Jan. 7, 2022).

Here, a comparison of Wearable Shoe Tree’s patent and the infringing product sold by each Defendant shows that the infringing products are remarkably similar, if not identical, to Wearable Shoe Tree’s patent. *Compare* (Dkt. #3-2) through (Dkt. #3-10) (showing the allegedly infringing products), *with* (Dkt. #3-11) (showing Wearable Shoe Tree’s patent), *and* (Dkt. #3-12) (showing Wearable Shoe Tree’s product), *and* (Dkt. #42-1) (list of Defendants), *and* (Dkt. #42-2) (declaration of Paul Siragusa). Therefore, Wearable Shoe Tree has established its likelihood of success on the merits for patent infringement.

B. Threat of Irreparable Injury

“Under the Lanham Act, a plaintiff seeking a preliminary injunction against infringement ‘shall be entitled to a rebuttable presumption of irreparable harm upon a finding of likelihood of success on the merits.’” *Whirlpool Corp.*, 80 F.4th at 546 (quoting 15 U.S.C. § 1116) (cleaned up). The Federal Circuit has also identified that “price erosion, loss of goodwill, damage to reputation, and loss of business opportunities are all valid grounds for finding irreparable harm.” *Aria Diagnostics, Inc. v. Sequenom, Inc.*, 726 F.3d 1296, 1304 (Fed. Cir. 2013).

The Court has found a likelihood of success on the merits for trademark infringement, *infra* section III.A.i., creating a presumption of irreparable harm for that claim under 15 U.S.C. § 1116. Wearable Shoe Tree also claims that it has suffered, and will continue to suffer, irreparable harm through “diminished goodwill and brand confidence, damage to Plaintiff’s reputation, loss of exclusivity, and loss of future sales, and by depriving Plaintiff of the ability to control use and licensing of the Plaintiff[s] IP.” (Dkt. #7 at 11). The remaining Defendants allegedly reside outside of the United States, presenting the possibility that their webstores could be closed and assets dissipated at any time, which would frustrate Wearable Shoe Tree’s ability to recover. (Dkt. #7-2 ¶ 14). Finding nothing to rebut the presumption of irreparable harm and given that the infringing products are apparently identical to Wearable Shoe Tree’s patented product, Wearable Shoe Tree’s decrease in sales over the past year, and the loss of goodwill, the Court finds that there is a likelihood that Wearable Shoe Tree will continue to suffer irreparable harm if Defendants are not enjoined.

C. Balance of Harms

The Court finds that the balance of harms weighs in Wearable Shoe Tree’s favor. Courts are loathe to assign any harm to an infringing Defendant because those Defendants “assumed the risk” associated with patent and trademark infringement when they chose to undertake those activities. *Qin*, 2022 WL 80274, at *4 (collecting cases). Wearable Shoe Tree expended the effort to acquire the patent and trademarks

at issue, thus tipping the balance of harms in favor of entering a Preliminary Injunction.

D. Public Interest

The public has an interest in the protection and enforcement of patent and trademark rights. *Whirlpool Corp.*, 80 F.4th at 546 (“[A]lthough we recognize that the public has an interest in encouraging commercial competition, the public also has an interest in the effective enforcement of our trademark laws.”); *MGM Well Servs., Inc. v. Mega Lift Sys., LLC*, 505 F.Supp.2d 359, 379–80 (S.D. Tex. 2007), *aff’d*, 264 F.App’x 900 (Fed. Cir. 2008) (“The public interest is best served by protecting patent rights and enforcing the applicable laws.”). The Court has found that Defendants identified in Table 1 have engaged in, and are likely to continue to engage in, acts and practices that violate Wearable Shoe Tree’s trademark and patent rights. Therefore, the public interest would be best served here by entering a Preliminary Injunction to preserve Wearable Shoe Tree’s rights.

* * *

For the foregoing reasons, the Court holds that a Preliminary Injunction is warranted. The Defendants identified in Table 1 have engaged in, and are likely to continue to engage in, acts and practices that violate Wearable Shoe Tree’s trademark and patent rights.

IV. PRELIMINARY INJUNCTION

Plaintiff, Wearable Shoe Tree, having proved that it is entitled to preliminary relief under the applicable standard, and the Court, having considered the complaint,

declarations, exhibits, and memorandum of law filed in support, finds as follows:

1. This Court has subject matter jurisdiction over this case.
2. This Court has jurisdiction over the parties.
3. There is good cause to believe that the Defendants identified in Table 1, have engaged in, and are likely to continue to engage in, acts and practices that violate Wearable Shoe Tree's trademark and patent rights.
4. For each Defendant identified in Table 1, Wearable Shoe Tree has shown a substantial likelihood of success on the merits; that it is likely to suffer irreparable harm if this order is not granted; that the probable harm to the Wearable Shoe Tree, if relief is not granted, outweighs the likely hardship that may result to the Defendants from this order; and that this order is not adverse to the public interest.
5. There is good cause to believe that immediate and irreparable injury will occur to the Plaintiff from the sale, transfer, or other disposition or concealment by Defendants of their assets and business records unless Defendants are immediately restrained and enjoined by order of this Court.
6. There is good cause for issuing this order pursuant to Federal Rule of Civil Procedure 65(b).
7. Exercising its discretion pursuant to *Corrigan Dispatch Co. v. Casa Guzman, S. A.*, 569 F.2d 300, 302–03 (5th Cir. 1978), this Court finds that Wearable Shoe Tree's proper security amount required for issuance of this Order under Federal Rule of Civil Procedure 65 is \$5,000.

It is therefore ordered:

1. Defendants, their successors, affiliates, servants, officers, agents, independent contractors, and employees, and anyone acting in active concert or participation with or at the behest or direction of any of the foregoing, be preliminarily enjoined and restrained from:
 - a. using, reproducing, displaying, or enabling others to use, reproduce, or display products and advertisements bearing the trademarks found at USPTO Trademark Registration No. 4686931, USPTO Trademark Registration No. 6220820, and USPTO Trademark Serial No. 88750733 (collectively, Plaintiff's "Marks"); or the patent found at USPTO Patent No. D970,203 S (Plaintiff's "Patent," together with the Marks, "Plaintiff's IP"); all of which appear in Dkt. #3-11;
 - b. moving, relocating, or otherwise disposing of any funds currently located in Defendants' online accounts, including, without limitation, from Alibaba, AliExpress, Amazon, Bonanza, CJDropshipping, DHgate, eBay, Etsy, Joom, Joybuy, Shein, Shopify, Temu, Walmart, Wish, Alipay, PayPal, Stripe, Payoneer, WorldFirst, and Western Union;
 - c. removing, destroying, or otherwise disposing of computer files, electronic files, business records, or documents relating to any of Defendants' webstores, websites, assets, operations, or relating in any way to the reproduction and display of Plaintiff's IP; and

- d. engaging in any other activity that infringes on Plaintiff's rights in any manner.
2. Each Defendant, within 14 days after receiving notice of this Order, shall serve on Plaintiff a written report under oath providing: (a) their true name and physical address; (b) all websites and online marketplace accounts on any platform that they own and/or operate; (c) all of their associated financial accounts, including but not limited to all Alibaba, AliExpress, Amazon, Bonanza, CJDropshipping, DHgate, eBay, Etsy, Joom, Joybuy, Shein, Shopify, Temu, Walmart, Wish, Alipay, PayPal, Stripe, Payoneer, WorldFirst, Western Union, etc. accounts; (d) the quantity of products that they have sold using Plaintiff's IP ("Infringing Products"); (e) the location where each Infringing Product was shipped; and (f) the steps taken by each Defendant to comply with paragraphs 1(a)–(d) above.
3. Defendants and any persons in active concert or participation with them who have actual notice of this Order shall be preliminarily restrained and enjoined from transferring, disposing of, or secreting any money, stocks, or other assets of Defendants until further ordered by this Court.
4. All banks, savings and loan associations, payment processors or other financial institutions, including without limitation, Alibaba, AliExpress, Amazon, Bonanza, CJDropshipping, DHgate, eBay, Etsy, Joom, Joybuy, Shein, Shopify, Temu, Walmart, Wish, Alipay, PayPal, Payoneer, Stripe, WorldFirst, Western Union, etc., or other merchant account provider, payment provider, third party

processor, credit card association (i.e. MasterCard and VISA) that receive payments or hold assets on Defendants' behalf, as well as any third party service providers, including without limitation, ISPs, back-end service providers, web designers, sponsored search engine or ad-word providers, shippers, domain name registrars, domain name registries or online third-party sellers who have provided services for Defendants (all of the foregoing, collectively, "Third Party Providers") and their affiliates are ordered to, within two business days of receipt of this Order, locate all accounts and funds connected to the Defendants identified in Table 1, and block all money transfers and funds from being transferred by such Defendants until further ordered by this Court.

5. Plaintiff shall provide notice of this Preliminary Injunction to Defendants by sending an email to the email addresses provided for Defendants by third parties hosting Defendants' webstores, such as Alibaba, AliExpress, Amazon, Bonanza, CJDropshipping, DHgate, eBay, Etsy, Joom, Joybuy, Shein, Shopify, Temu, Walmart, Wish, etc. Providing notice via email, along with any notice that Defendants receive from the Third-Party Providers, shall constitute notice reasonably calculated under all circumstances to apprise Defendants of this Preliminary Injunction.
6. This Order shall apply to the Infringing Webstores, websites, and any other domain names properly brought to this Court's attention and verified by sworn

declaration that verifies such new webstores or domain names are being used by Defendants for the purpose of infringing Plaintiff's IP.

So ORDERED and SIGNED this 3rd day of July, 2024.

SEAN D. JORDAN
